

Safety Equipment

Helmets

▲ GA SAFETY HELMET

6 PT cushion Safety Helmet Kit (orange only) consists of helmet, ear muffs, tilt up mesh visor, 6 point webbing suspension.

▲ HUSQVARNA/PETZL ARBORIST HELMET

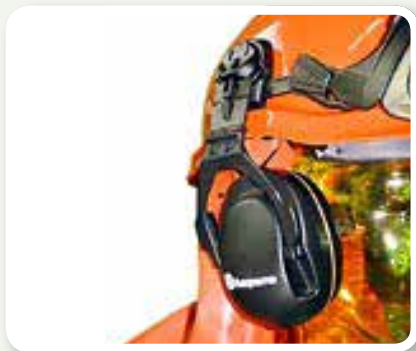

Lightweight and ventilated helmet for professional arborists, approved for working at heights. Unique harness adjustment with two wheels that centres the head in the helmet for best balance and stability on the head. Only for working at heights – Not approved for forestry work on the ground.

▲ HUSQVARNA COMPLETE HELMET KIT

Complete helmet with visor, hearing protection, sun peak and neck guard. Replaceable lining and push-out air vents.

Hearing Protection

▲ HUSQVARNA HEARING PROTECTION (CAP MOUNTED)

The protectors are made of impact resistant ABS-plastic. Economical and hardwearing.

▲ HUSQVARNA HEARING PROTECTION

Extra wide headband gives a safe and comfortable fit and lowers pressure on the head. The protectors are made of impact resistant ABS-plastic. Economical and hardwearing.

▲ HUSQVARNA EAR PLUGS

Box of 200 individually packed pairs.

Safety Equipment

Clothing

▲ HUSQVARNA KEVLAR GLOVES

Form-fitting glove with reinforced palm. Exposed parts are reinforced with leather. Featuring waterproofed kid leather on the inside and a water-repellent fabric on the back.

▲ RIGGERS WORK GLOVES

Heavy duty. Made from cowgrain. Economical, yet strong enough for tough work conditions.

▲ HUSQVARNA PRO TECH 20 CHAINSAW TROUSERS

Made in a new strong, ventilating material, 4-way RipStop stretch.

▲ SHOWA CUT RESISTANT GLOVES

Thanks to the materials used, these two gloves are both supple and light despite their level 4 cut, puncturing and tear resistance.

▲ KINGS SMOKE POLYCARBONATE LENS

Dual-material temples with co-injected soft temple tips provide comfortable fit. Close-fit, 10 base curve lenses offer wide & unobstructed vision. Lightweight: 25g .

▲ OVER BOOTS

"Keeps the muck outa your boots, mate!"
